Health Fair

This year's **Health Fair** is one of the marquee events of the annual Burtonsville Day Celebration.

The Burtonsville Day Celebration brings together residents and business members for a community celebration. Many visitors, including hundreds of people who live in the eastern region of Montgomery County, join us for the event.

This year's **Health Fair** is intended to be a health and wellness expo.

Health Fair Exhibitors

Our **Health Fair** will feature 20 – 25 exhibitors representing health and wellness services available in our community. We welcome all exhibitors from private, government, and non-profit organizations.

The **Health Fair** will be held indoors on Saturday, September 25, 2010, and go from 10:00 am to 1:00 pm. Exhibitors have the option of staying until 3:00 pm.

Reservations are due to Kim Bobola (kbobola@gmail.com) by August 30, 2010.

Interactive Approach

You might want to organize your exhibit to provide the public with health information, a demonstration, or the use of an interactive approach.

Members of the community have conveyed to us their interests in **Health Fair** issues such as: caring for aging parents, nursing care options, diabetes education, fitness assessments, health care reform, dental services, a blood drive, cancer awareness, weight management, services for school-aged children, etc.

We encourage you to be creative in your **Health Fair** outreach efforts in promoting good health in our community!

Some Things You Might Consider:

- Let us know if we might use **your logo** when we advertise the Burtonsville Day Health Fair.
- We will provide **the tables**.
- The day of the Health Fair, you may **set up** beginning at 7:30 am. However, you must be in the event area before 9:30 a.m., because the road will close for the parade.
- The Health Fair will be held **indoors**.
- The Burtonsville Day Celebration **will be held Rain or Shine**.
